How do I apply?

Once you fill out the application completely, you can mail it into 220 N. Smith Street Suite 102, Palatine, IL 60067 with the required original documentation. The following original documents are required:

- **Original Pay Stub that shows the number of hours worked in a week-**
This pay stub must be from within the last month, and if it does not say the number of hours worked, a letter from your employer is needed that says how many hours you work per week. The letter must be signed and on company letterhead. Copies of online pay stubs are also acceptable. ***If you have been unemployed for less than 30 days, you are still eligible. Please provide a copy of your last paystub to prove eligibility.***
- **COPY of Child's Original Birth Certificate** - We are no longer requiring ORIGINALS to be sent.
This is intended to show that you are the child's parent and the child is between the ages of five and fifteen. We will NOT return the copies, but will keep on file. If you have applied for a grant for a child previously, the birth certificate may be on file and may not need to be sent again.
- **Single Parent Letter-**
This letter needs to be written by you and must state you are a **single** parent and it must be signed.
- **Information on the Spa-**
You **must** send a flyer or printout with the following information: telephone number, web site, or email address where we can verify the cost and legitimacy of the spa you have chosen.

We will not accept faxed documentation.

What happens after I apply?

If your application is complete, it will be reviewed. You will receive a letter stating if your application has been approved or denied. Incomplete applications will be denied.

SALARY REQUIREMENTS

To better service our growing foundation, we have instituted a salary requirement. The requirements are as follows:

\$30,000 and under – 1 child (15 years old and younger)
\$35,000 and under – 2 children (15 years old and younger)
\$40,000 and under – 3 children (15 years old and younger)
\$45,000 and under – 4 children (15 years old and younger) \$50,000
and under – 5 children (15 years old and younger)

For example, if you make \$30,000 or under and have one child, your application will be considered. If you make over \$30,000 and have one child, you do not meet our salary requirements and your application will not be processed.

Please feel free to contact us with any further questions at info@expectamiraclefoundation.org.

What happens after I apply?

We require a thirty-day processing period, and we request you do not call to check the status until after thirty days have passed. You will receive a letter in the mail letting you know if you were approved or denied.

If you submit an incorrect application, provide a copy of a document instead of the original, or if you do not qualify, everything will be sent back to you until you fix the error and we will stop processing your request.

How can I make the process go faster?

We currently verify the spa you list, therefore if you include contact information, a price list, or even a website, it will make it easier for us to process your request. Please refrain from calling us within the first thirty days so we can focus our efforts on approving your application.

The Expect A Miracle Foundation is funded solely through private donations. We do not receive any funding from the government.
